Revelations about love

*

That truth is either out there
Or in the middle somewhere

Yet if the boy plays awkardly
Try asking the girl for advice
Or maybe you prefer chaos

Dumb is the new smart
White is the new black
Kind is the new mean
Period the new etc

Ask me the
Impossible
I'm French

If the boy plays awkwardly
Try asking the girl for advice
Or perhaps you prefer chaos

That truth is either out there
Or in the middle somewhere

Dumb is the new smart
White is the new black
Kind is the new mean
Period the new etc

Ask me the
Impossible
Me French
